What are we learning this term?

Topic 1: Holidays. Students will be learning how to describe the types of holidays they like and prefer as well as talking about holidays they have enjoyed and why.

Topic 2: Technology. Students will learn how to describe their technology usage as well as how this might have positive or negative impacts on their lives.

We will be practising our exam skills in reading, listening, speaking and writing to prepare for the mock exams. We will also discuss the tiers (H/F) for the mock exams.
