

THE BGLC PUPIL PREMIUM PLEDGE

Our commitment to student success

At Brookvale Groby Learning Campus, we are committed to ensuring all of our students, regardless of the barriers they face, are able to thrive, both academically and socially, in order to reach their full potential and achieve success in adult life.

The BGLC Pupil Premium Pledge is our school's strategic investment in your child's future. It is designed to empower every student who attracts this funding, ensuring they have the resources and opportunities needed to thrive, accelerate their progress, and achieve excellence.

We believe that success doesn't happen by accident. Our rigorous system ensures this investment provides targeted academic and personal development support while actively removing barriers to full participation in school life. Driven by our core values of CARE and our motto "Work Hard, Be Kind," we focus on closing disadvantage gaps to ensure every student is fully equipped for their next steps.
