What are we learning this term?

Students will begin their revision programme in lessons after Easter. They should have already begun this at home. This [document](#) can help with their revision.

1. Students **must** have a revision timetable in place
2. Students should identify areas that they are weaker and stronger in (use PLC for this)
3. Students should look at their exams timetable and then organise their time accordingly

Here are the links for the revision drives with all the tasks for revision:

What are we learning this term?

Externally set Assignment (40% of GCSE Grade):

The students will receive their exam paper in their first lesson back after the Christmas holidays. Students will commence the exam by mind mapping a question that interests them to identify a theme that they are happy with for a project of their choosing. Students will have all of this term to produce initial research, write a design brief, produce artist research work and then start to develop and design their transcriptions and ideas for manufacture.

Students will have teacher support throughout the initial phase of the exam. Students will need to ensure that they are keeping up with homeworks and weekly deadlines so that this supports their workload in the exam.

When students commence the official exam sessions after the Easter Holiday, they will be starting their 10 hours in exam conditions. As soon as students start this time, staff are not permitted to support students by giving feedback. This is why it is vital that students work hard to complete the necessary work by the Easter break.

Please note that the exam is fast paced and students will always have something to do at home to support their progress during this final stage of the course.

Enrichment

Live Competitions posted on the Schools Social Media website for all students to get involved in.

ADT Enrichment Google Classroom created for students to experiment and create additional pieces of work for fun (these could be added into the Coursework Portfolio for additional marks/experimentation).

What are we learning this term?

Practical lessons this term are likely to be outside as we lose the Sports Hall for external exams in May, so students will need to be prepared to have their PE lessons outside. As the weather changes and the temperature increases please ensure that students bring water to their PE lessons and wear sun cream.

Core PE - students will be allowed to choose their practical activity in core PE lessons before they leave.

GCSE PE - the focus will be on revision for the upcoming exams in May and June.

CNAT Sport Studies - the focus on lessons will be preparing for the upcoming R184 exam in May. We will finish teaching the theoretical content and work on preparing students for the assessment. Some students are working on a Media in Sport resubmission and we also have to submit all Practical and Leadership work by the start of May.

Enrichment

Sports Presentation Evening -

Tuesday 30th June. If your child has represented the school in a sports event this year you should receive an invitation via email.

Athletics - Weds after school.

Rounders - Tuesday after school.

Tennis - Tuesday after school.

Homework

Core PE - we don't set homework for KS4 core PE.

GCSE PE and CNAT Sport Studies

Students will be set regular tasks on The Everlearner to supplement their revision for the external exams in May and June.

What are we learning this term?

This term sees the students sitting the written exam on 8th May. In the build up to this, we have been revisiting the exam and how we can relate the exam questions to our set text, Noughts and Crosses.

Students have also been analysing and evaluating The Spy WHO Came in From the Cold following our trip to see it at Curve Theatre. This will be used for section C of the exam.

Students have access to a wealth of revision material in the Google Classroom as well as paper copies of resources used in class. There are a number of links to useful websites on the revision guide sent out to all students recently.

What are we learning this term?

Topic 1:

This half term we are doing revision for the two exams in a few weeks time. We will go over all of the content again briefly (nothing new to learn now) and do practice questions again, many of which we have already done several times in class.

Wk 32: NEA (coursework) submission 15th May

Wk 33: 18th May Component 1 exam Television (Vigil and The Avengers) and Promoting Media (the Lego Movie, Video game and advertising campaign)

Topic 2:

Wk 34: 2nd June Component 2 exam Music (video, magazines and radio) and News (the Observer newspaper, print and online)

IMPORTANT: The Google Classroom has every single lesson taught over the past two years all organised into folders according to exam topic. One of the best ways to revise is to go through all of that useful information.

Enrichment

There are several interesting, entertaining Youtube channels which explore aspects of the media:

[C1A and C1B Overview](#)

[C2A Music and C2B News Overview](#)

Homework

All homework is set via the Google Classroom on a weekly basis. If there is not specific homework, it will either be Quick Quizzes to revise for using teaching resources, or Knowledge Organiser work. We follow the school's 20/20/20 policy, so at least one hour a week for this subject should be spent revising Knowledge Organisers or the work done that week on the Google Classroom.
