

YEAR 9

Welcome to our Spring Term Curriculum Newsletter.
In it you will find:

- An introduction to our progress team
- What is being studied in each subject this term

I hope you find this helpful. Even more information can be found on our website including our 5 or 7 year learning journeys.

Brookvale Groby Learning Campus

Principal: Mr W Teece

Progress at Brookvale Groby Learning Campus

We would like to thank you in advance for all the hard work and support you will be offering your child as they embrace this year's academic studies.

At school, your child's form tutor, teachers and the year heads will offer support. We also have a whole school progress team which includes:

Ms Dina Gajjar -KS3 Progress lead (yrs 7-9)

dgajjar@brookvalegroby-tmet.uk

Mr Jack Brownnett -KS4 Progress Leader (Yrs 10 and 11)

jbrownnett@brookvalegroby-tmet.uk

Miss Taz Johal - Assistant Headteacher, Raising Standards Leader

tjohal@brookvalegroby-tmet.uk

Ms Carol Hubbard - Deputy Headteacher, Progress and Curriculum

chubbard@brookvalegroby-tmet.uk

Year Head information:

Year 7 - Mrs Tina Rumming

trumming@brookvalegroby-tmet.uk

Year 8 - Ms Bethany Morrison

bmorrison@brookvalegroby-tmet.uk

Year 9 - Mrs Donna Bee

dbee@brookvalegroby-tmet.uk

Year 10 - Mrs Jayne Jordan

jjordan@brookvalegroby-tmet.uk

Year 11 - Mrs Jo Clarke

jclarke@brookvalegroby-tmet.uk

All tutor and teacher contacts can be found on the website.

As a team, we will be working with your child to help them make the best possible progress, develop their character and help them understand the importance of kindness and respect.

Languages Newsletter – Year 9 – Spring 2026

Welcome to the latest newsletter from the MFL Faculty. We would like to keep you up to date on everything we are learning and doing this half term. If you have any questions, please do not hesitate to contact us via email:

salban@brookvalegroby.com

What are we learning this term?

All languages: Film. Students will be learning how to describe films and give extended opinions using the past tense. Students will also study a film and historical context:

Spanish – Voces Inocentes
German – Das Wunder von Bern
French – Neuilly sa Mere

Knowledge Organiser – Retrieval learning

Weekly tests will be set and available to see on the Google Classroom.

French single language	German single language	Spanish single language
The tests are based on the following Knowledge Organiser Students can also use their Quizlet Classroom to help practise for the weekly quizzes	The tests are based on the following Knowledge Organiser Students can also use their Quizlet Classroom to help practise for the weekly quizzes.	The tests are based on the following Knowledge Organiser Students can also use their Quizlet Classroom to help practise for the weekly quizzes

Enrichment

Choosing Options:

Students in year 9 will be choosing their options during the spring term. Think carefully about whether language will enhance your CV and chances in later life. The homework load will increase significantly.

Homework

Homework is set every week in all Languages.

This will be in the form of a vocabulary (spelling test). See *above for the list of words.*

There will also be revision for assessments at key points in the year.

Assessments

Week beginning 9th March – Writing assessment (all langs)

Week beginning 23rd March – Listening assessment (German only)

“One language sets you in a corridor for life. Two languages open every door along the way.”

DESIGN - Year 9 - Abstract, Design Movement Inspired Clocks

Useful contacts / information

cwright@brookvalegroby.com
(Subject Lead for Design)

(Subject Teachers)

If you have any questions, please do not hesitate to contact your son/daughter's subject teacher or the Subject Lead

What are we learning this term?

1st Rotation

Students are being challenged to design and make an abstract wall clock inspired by a design movement of their choice. Students will carry out independent research into a design movement of their interest, creating a range of abstract ideas for their clock design.

They will develop and model their ideas, taking into account the end user, material processes and properties.

Students will develop a range of skill in the workshop including; using the pillar drill, fret saws, coping saw, Line bending machine, files, pillar drills, CAD/CaM facilities (Computer Aided Design and Computer Aided Manufacture) to manufacture their final design.

Enrichment

Live Competitions posted on the Schools Social Media website for all students to get involved in.

ADT Enrichment Google Classroom created for students to experiment and create additional pieces of work for fun. There are lots of choices for art students to be able to experiment with materials at home.

Other Enrichment opportunities will be advertised to the students in the first term as these are planned by ADT teachers. .

Homework

Students have access to Knowledge Organisers to support them with home learning (20:20:20). These are on the Google Classroom. These will be assess in their Do Now Tasks at the beginning of each lesson

A subject drive has been created for all students so that they have access to all materials to help them at home. This is shared with students in lessons.

Assessments

1. Mid point of Project Unit.
2. End point of Project Unit .

Please note that students have one 2 hour lesson per week and are given a week to complete independent homeworks. This is why the students are assessed mid way and at the end of the rotations so that they can make progress over a series of 2 hour lessons in the unit of work. Students are marked in relation to the personalised learning checklist in their folders (PLCs). It is communicated if they are Exceeding, Meeting or Developing.

“Design is not for philosophy, it’s for life.”- Issey Miyake

Helen Hawke - Faculty Leader
hhawke@brookvalegroby.com

Dina Gajjar - Asst Faculty Leader (KS3 link / progress lead)
dgajjar@brookvalegroby.com

Ross Dixey - Asst Faculty leader (Tassomai link)
rdixey@brookvalegroby.com

What are we learning this term?

KS4 skills topic

Revision for the GL assessment through a space project

We will start GCSE modules, these topics will be covered until the end of the year:

B1 Cell Biology

C1 Atomic structure and the periodic table

P3 Particle model of matter

Enrichment

16th - 20th March British Science week Assemblies
Poster competition

Homework

Science - 3 daily goals on Tassomai

Assessments

GL Assessments - Thursday 12th February

End of module tests for all modules

“Nothing in life is to be feared, it is only to be understood. Now is the time to understand more, so that we may fear less.” – Marie Curie

GRAPHICS - Year 9 - Skills Building

Useful contacts / information

Sdixon@brookvalegroby.com
(Subject Lead and Faculty Lead)
Jsheerin@brookvalegroby.com

If you have any questions, please do not hesitate to contact your son/daughter's subject teacher or the Subject Lead

What are we learning this term?

Rotation 1 & 2 (Weeks 1 - 10 / Weeks 11 - 20):

In this first rotation students will carry out three skills building units. The first unit will look at colour popping and how to digitally edit images effectively with this technique for Graphic Products such as magazines and CD Covers. The second unit will enable the students to develop digital drawing skills looking at the artist Lively Scout. The third skills building unit will look at the artist Ross Holden and how to digitally produce mandalas. Students will be assessed separately for all 3 units in this rotation.

Rotation 3 & 4 (Weeks 21 - 29 / Weeks 30 - 39):

In the second rotation we will work on Typography skills, learners will explore the possibilities that surround working with Typography in the Graphic Design world. We will explore the use of typography when used in conjunction with paths tools. Using text to shape subjects such as animals in reference to Bembozoo. Students will explore their own use of mixed media by creating their own typography without the use of IT as a creative homework. By exploring all of these techniques students will have the ability to further develop their Photoshop skills ready for core GCSE modules.

Enrichment

Live Competitions posted on the Schools Social Media website for all students to get involved in.

ADT Enrichment Google Classroom created for students to experiment and create additional pieces of work for fun. There are lots of choices for Graphics students to be able to experiment with Photoshop at home.

Other Enrichment opportunities will be advertised to the students in the first term as these are planned by ADT teachers.

Homework

Students will be given practical homework in the first and second rotations. In the first rotation students will be asked to create handmade Mandalas inspired by Ross Holden. In the second rotation students will be asked to make hand made type. This affirms the importance of mixed media and experimentation outside of technology.

Students have access to Knowledge Organisers to support them with home learning (20:20:20)

A subject drive has been created for all students so that they have access to all materials to help them at home. This is shared with students in lessons.

Assessments

1. 3 x Assessment points take place in Rotation 1
2. 3 x Assessment points take place in Rotation 2

Please note that in Graphics the first rotation sees the students complete 3 x mini skills building units and then in their next rotation they complete a larger skills building unit. This is why the assessments are structured the way that they are.

Students are marked in relation to the unit checklist (personalised learning checklist). It is communicated if they are Exceeding, Meeting or are Developing within the subject.

“Creativity is nothing but the way to solve new problems.” - Diana Santos

ART - Year 9 - Oriental Art (Spring Term)

Useful contacts / information

dlaw@brookvalegroby.com

(Subject Lead and Assistant Faculty Lead)

Smamo-curtis@brookvalegroby.com

(Subject Teacher)

If you have any questions, please do not hesitate to contact your son/daughter's subject teacher or the Subject Lead

What are we learning this term?

Rotations 1 & 2 (Weeks 1-20):

In this skills building unit the students will look at traditional and contemporary Oriental Art from across various periods in history. They will complete image analysis and look closely at a variety of art sources and explore how they were created. They will create a moodboard showing influences on the theme and create realistic drawings from actual artefacts. This work is then used to create initial design ideas for the creation of a clay tile. A final design is then created to inform a personal response that will be made in clay - Clay safety forms part of the project. The clay work is then created, fired and painted.

Rotations 3 & 4 (Weeks 21-39):

In the second half of the project, students' will work on producing an A3 mixed media art piece based on 'Oriental art.' They will recall the knowledge and the skills gained from the previous rotation and produce a personal response. Homeworks will also form the basis of the creative process. Students will be encouraged to look at a variety of materials and techniques to assist with the creation of the end product.

Enrichment

Live Competitions posted on the Schools Social Media website for all students to get involved in.

ADT Enrichment Google Classroom created for students to experiment and create additional pieces of work for fun. There are lots of choices for art students to be able to experiment with materials at home.

Other Enrichment opportunities will be advertised to the students in the first term as these are planned by ADT teachers.

Homework

Students will be given an extended writing piece of homework alongside a number of research activities to support the ongoing design process.

Students have access to Knowledge Organisers to support them with home learning (20:20:20)

A subject drive has been created for all students so that they have access to all materials to help them at home. This is shared with students in lessons.

Assessments

1. Mid point of unit (Rotations 1 & 3)
2. End point of unit (Rotations 1 & 3)

Please note that students have one 2 hour lesson per week and are given a week to complete independent homeworks. This is why the students are assessed mid way and at the end of the rotations so that they can make progress over a series of 2 hour lessons in the unit of work.

Students are marked in relation to the unit checklist (personalised learning checklist). It is communicated if they are Exceeding, Meeting or are Developing within the subject.

'I like the fact that in ancient Chinese art the great painters always included a deliberate flaw in their work: human creation is never perfect..' - Madeleine L'Engle

TEXTILES - Year 9 - (All Rotations)

Useful contacts / information

hdepledge@brookvalegroby-tmet.uk

(Subject Lead (textiles) and Assistant Faculty Lead)

smamo-curtis@brookvalegroby-tmet.uk

(Teacher of textiles)

If you have any questions, please do not hesitate to contact your son/daughter's subject teacher or the Subject

What are we learning this term?

Rotation 1: Analysing an Artist

In the first rotation students will further develop skills they have previously used whilst also learning about new ones. They will analyse the work of an artist and use this to create transcriptions (samples) made in their style using a variety of different techniques, using both hand and machine stitching

Rotation 2: Product Production

In the second rotation students will independently manufacture a product based around the artist they have researched, using the techniques they learnt and practised in the first rotation. They will decide on which skills and techniques they like and use these in the manufacture of a textile product, investigating how they can use the artist's work to create a unique product. Students will be encouraged to work as independently as possible whilst being creative and imaginative in their product manufacture.

Enrichment

Live Competitions posted on the Schools Social Media website for all students to get involved in.

ADT Enrichment Google Classroom created for students to experiment and create additional pieces of work for fun (these could be added into the Coursework Portfolio for additional marks/experimentation).

Extended Support available to support our students outside of lesson time with their design work so that they succeed in the subject.

Homework

For homework, students are expected to complete revision of their knowledge organisers by revising the relevant section for the week and self testing in their planners. The sections expected to be learnt are posted in the Google Classroom. In the following lesson students will be quizzed using their Do Now sheets in lessons. Students have access to their Knowledge Organisers on the Google Classroom and if required can have a copy printed for them. A subject drive has been created for all students so that they have access to all materials to help them at home.

Assessments

Students will be assessed in two areas in year 9, their written work and their practical work.

Written work consists of designing and evaluating throughout the project.

Practical work consists of any experimentation work they produce as well as the manufacture of their final product.

Students will be assessed as either exceeding, meeting or developing in relation to their work.

Head of KS3 History and Citizenship
Dtagg@brookvalegroby.com

Year 9 are learning this term:

Unit 2: Changing world: How does religion address modern issues?

- Stewardship versus dominion
- Tikkun Olam and the work of World Jewish Relief
- Pope Francis and the 'Laudato Si' encyclical - climate and world
- Mary Midgley and why animals matter
- Analogy, reason and ijthihad in relation to modern issues
- Religious dogmatism in relation to modern issues
- Genetic engineering
- AI
- Religious Responses to Global Inequality
- Religious Responses to Human Rights and Social Justice

Humanities Enrichment

- Holocaust memorial day
- LGBTQ+ assemblies
- Year 6-7 transition event for Geog and History (volunteers needed)
- Year 8 Iceland trip
- Year 9 Osmington Bay PGL Geography residential

Assessments

- 1) Changing world assessment
- 2) Continued retrieval assessment throughout

Year 9 are learning this term:

Unit 2:

The global pattern of urban change.

Urban trends in different parts of the world including HICs and LICs.

Factors affecting the rate of urbanisation – migration (push-pull theory), natural increase.

The emergence of megacities.

Rio de Janeiro Case study - Opportunities and challenges

Birmingham - Opportunities and challenges

Urban sustainability management of resources and transport

Humanities Enrichment

- Holocaust memorial day
- LGBTQ+ assemblies
- Year 6-7 transition event for Geog and History (volunteers needed)
- Year 8 Iceland trip
- Year 9 Osmington Bay PGL Geography residential

Homework

Students should complete Week 17-27 in their homework booklet. All work to be recorded in their booklet. Teachers will check/reward/sanction geography homework weekly

Please ensure your children are meeting deadlines.

Assessments

- 1) Ongoing retrieval practice.
- 2) Urban change exam

Food - Year 9 - Afternoon Tea Development

Useful contacts / information

Subject Leader

hdepledge@brookvalegroby-tmet.uk

smamo-curtis@brookvalegroby-tmet.uk

cwright@brookvalegroby-tmet.uk

If you have any questions, please do not hesitate to contact your son/daughter's subject teacher or the Subject Lead

What are we learning this term?

In year 9 students will spend approx 20 weeks in the food rotation as it will have been an option choice, this is divided into two 10 week rotations. The first rotation looks at health and safety. Nutrients and the consequences of a poor diet. It considers different dietary groups and their specific needs. Students learn how to adapt a recipe looking at alternative ingredients. Food and the environment is researched. Students will also undertake a mini NEA task and the functional and chemical properties of an ingredient/product which will support their GCSE journey.

In rotation two Afternoon tea is the main focus looking dish and skill development, presentation and production. Students will also undertake a mini NEA task Food Preparation Assessment on developing a recipe for the afternoon tea topic. Researching recipes and producing a working time plan, which will support their GCSE journey.

Do Now general knowledge is included in written lessons.

Students will make a variety of products in yr 9 these include Bread. Fruit gateaux. Meringues and lemon curd. Paella and their afternoon tea.

Skills are developed through the dishes and students are encouraged to work as independently as possible with practical tasks ready for possible GCSE in yr 10.

Enrichment

An ADT Enrichment Google Classroom created for students.

Students can adapt recipes to suit the needs of people at home.

Research new recipes and cook at home, bringing in pictures to display in school and gain rewards.

Competitions at various times of the year are held.

Homework

Students are responsible for making sure they have the correct ingredients and containers organised ready for practical food lessons. Recipes are given out to students the week before and are posted on the Google classroom. Recipes may be adapted to suit dietary needs.

Students have access to Knowledge Organisers to support them with home learning (20:20:20)

A subject drive has been created for all students so that they have access to all materials to help them at home. This is shared with students in lessons.

Assessments

A Mid point assessment is made at week 5 and at the end of the rotation weeks 9 or 10.

Practical lessons are reviewed during each practical lesson and feedback given.

Students are marked in relation to the unit checklist (personalised learning checklist). It is communicated if they are Exceeding, Meeting or are Developing within the subject.

"No one is born a great cook, one learns by doing" - Julia Child

What are we learning this term?

Students have chosen their teaching groups this year and have opted into either a GCSE PE/CNAT Sport preparation group, a creative activities group or a games group. Over the course of the Spring term, depending on the group they are in, students will cover some of the following activities: basketball, gymnastics, badminton, netball, softball, volleyball, rounders, table tennis, Leadership and Health Related Fitness.

As the cold weather is upon us can you please ensure that all students bring their PE hoodie to lessons. They are welcome to wear extra layers underneath the hoodie.

Enrichment

The following clubs are open to all Year 9 students. Activities will change again after Easter, so look out for the new timetable then.

Badminton - Tuesday after school until 4:15pm in the Sports Hall

Basketball - Wednesday after school until 4:15pm in the Sports Hall.

Girls Futsal - Thursday after school until 4:15pm

Rugby Union - Tuesday after school until 4:15pm.

Homework

Each student will have a rules quiz to complete for homework at the end of each activity block of 6 lessons. These rules quizzes are posted on each group's Google Classroom and are completed digitally using Google Forms. The results from these quizzes allow us to assess students under the 'Know' strand of our assessment policy.

Assessments

We assess students in PE at the end of each activity block. We assess them in three areas:

'Know' - knowledge of rules and regulations.

'Grow' - demonstrating LORIC character values.

'Show' - the ability to perform activity specific skills and tactics under competitive pressure.

'I've failed over and over and over again in my life and that is why I succeed.'

Reading Plus

- An online platform of texts designed for your child's reading level and interests
- One lesson a week consisting of 4 reading lessons and 1 vocabulary lesson
- Develops comprehension and fluency reading skills
- Supports enjoyment of reading widely and often

What are we learning this term?

Half Term 1

Nature in Poetry

- Exploring the world around us through poetry
- Investigating how writers use and create tone
- Writing formal and critical essays
- Critical focus on language and structure

Half Term 2

Shakespearean Tragedy

- Shakespearean text - Othello or Romeo and Juliet
- Conventions of tragedy
- Analysing Shakespeare's language and creative choices
- Societal and historical influences on the play of choice

Enrichment

- Library book talks
- Thursday 5th March - World Book Day
- Look out for writing competitions throughout the year

Homework

Students have been given their A5 homework booklet to complete and return to class on the day their teacher has selected as 'homework check day'

Spellings related to the topic
Reading Plus completion
Directed retrieval practice
KO's are on Google Classroom

Assessments

Week commencing 9th February - Reading Plus Baseline assessment

Week commencing 9th February - unseen poetry

"Show me a family of readers, and I will show you the people who move the world."

Music - Year 9

Useful contacts / information

To find out any information about our Music Curriculum or enrichment please contact

Laura Smith- Head of Performing Arts and Music subject Lead

lsmith@brookvalegroby-tmet.uk

What are we learning this term?

This term year 9 are going to really focus on developing both their keyboard technique and their composition skills.

Our first topic this term is going to be an introduction to the notation software we use at GCSE called Musecore. Students will learn how to set up a score and how to input notes onto a score.

We then move to a topic exploring protest songs. We begin by spending some time looking and analysing different protest songs exploring how they have been constructed. Students will then begin to compose their own song in small groups.

Enrichment

Year 9 are learning this term:

Civil Rights in America: Students are now studying racism in America, the Ku Klux Klan and African Americans' role in WWII leading up to and including the Civil Rights Movements of the 1950s and 1960s.

The Holocaust: Students will learn how the Nazis rose to power, and how they built up their persecution of Jewish and other groups in Germany.

Key Skills Learned: Students will be continuing understanding of describing and explaining causes and consequence, as well as working on analysis of primary sources and interpretations.

Enrichment

Students will have assemblies on Holocaust Memorial Day and opportunities to get involved in commemorative activities.

Students will also have an opportunity to celebrate Women's History month and International Women's Day on the 8th March.

Homework

Students should complete their homework booklet - revision and comprehension tasks.

Teacher will check/reward/sanction History homework weekly

Please ensure your children are meeting deadlines.

Assessments

First half term: Civil Rights Assessments

Second half term: WWII & Holocaust Assessments

Adam Goodger - Assistant
Faculty Leader
agoodger@brookvalegroby.com

Ruth Smith - Drama Teacher
rsmith@brookvalegroby.com

What are we learning this term?

As part of the unit students will continue to build on the 5 basic skills we use when performing: Facial expressions, body language, spatial awareness, voice projection, tone of voice.

This unit begins to expose students to a level of text that they may be expected to study at text in Performing Arts. The 39 steps encourages students to consider how we might analyse and study a text's characters, style and genre. It also begins to get students to consider some of the more technical elements of theatre such as lighting and sound. Studying The 39 steps is designed to give students a feel for how we study a text in Key Stage 4.

Enrichment

Junior Drama Club - Monday
lunchtime (Groby Theatre)

Productions Rehearsals -
Tuesday and Wednesday after
school (Groby Theatre)

Homework

Using the knowledge
organiser to understand key
terms

Watch live or recorded
performance when they get
the opportunity

Assessments

Students are assessed
throughout the 5 basic skills
plus their use of teamwork
and effort. Students will
perform 2 extracts from the
play encouraging them to
choose contrasting
characters.
