

Prospectus 2026-2028

Valuing Everyone,
Achieving Excellence

Brookvale Groby
Learning Campus

Welcome from the Chief Executive

I'm delighted that you are interested in finding out more about Brookvale Groby Learning Campus.

Brookvale Groby Learning Campus is part of The Mead Educational Trust (TMET), a growing family of eight primary, six secondary schools and two special schools in Leicestershire. While all Mead schools are unique, we are united in the belief that together we make a positive difference – to the life chances of our children, to our communities and to each other.

At the heart of all we do is a commitment to provide our children and young people with access to a world-class education, our schools with excellent school-to-school support, and our staff with high quality professional development. All Mead schools work closely together to provide a wide range of experiences and opportunities for our students, sharing expertise and widening their horizons.

We have seven values across our family of schools, called the Seven Cs: character, challenge, collaboration, community, courage, creativity and culture. We instil these values in our students and we use them as the basis of how we work together and treat each other. All the staff at Brookvale Groby Learning Campus will be excited to tell you more about the school and what they can offer your child. Please do get in touch if you would like to know more.

Sarah Ridley

Chief Executive Officer
The Mead Educational Trust

Welcome from the Principal

Brookvale Groby Learning Campus works to provide the best possible learning environment that we can for our students. Brookvale Groby joined The Mead Educational Trust in September 2025 having previously converting to an Academy Trust in September 2019 which comprised two schools, Groby Community College and Brookvale High School.

Our Vision

Valuing Everyone, Achieving Excellence

Our Motto

Work Hard, Be Kind

It is a real privilege for me to welcome you to our amazing campus and community. We are very proud to have been judged Outstanding in 2014 (Brookvale) and Good with Outstanding Features in 2016 (Groby).

We welcome young people from our partner primary schools in Groby, Ratby, Kirby Muxloe and Newtown Linford, and from other primary schools subject to availability of places. We have been significantly oversubscribed for the past 9 years. For September 2026 we will have 255 spaces available in Year 7. We also welcome students from a range of other secondary schools into Year 12 where they can study A Levels and AAQ courses in our successful Post 16 centre. We have a caring, disciplined, family atmosphere. All our students are known and treated as individuals. We have high standards, and we place particular emphasis on school uniform 11-16, exemplary behaviour, attendance and punctuality. We value being a decent human being as much as academic success. We seek to develop and nurture the whole, so every child can fulfil their true potential.

Mr Will Teece

Principal

We focus our approach around 3C's:

Currency

Securing the highest outcomes possible for all students.

Character

Developing well rounded citizens of our global community, through purposeful character development.

Culture

Creating a safe, warm and meaningful community that allows all students to flourish.

We want all of our students to feel:

Valued, Loved, Equipped and Encouraged

We are extremely proud of our excellent results which are consistently above national averages. Students thrive here, with a good proportion gaining the highest levels at GCSE and A Level, and high rates staying on into the Post 16 Centre, and then going to university.

We provide a wide range of courses from the start of secondary school aged 11 through to GCSE and A Level, with specialist teachers skilled in the delivery of each subject. We achieve excellent outcomes by our focus on each individual student and their learning strengths and needs. We strongly encourage all students to participate fully in the breadth of extra-curricular activities available such as sport, music and drama.

We value all our staff, and we ensure their skills and knowledge are second to none through a comprehensive professional learning programme.

It is a huge decision to make when choosing a secondary school for your child, which is why I'd like to invite you to arrange a visit to the campus so that you can see what we do for yourself. We are exceptionally proud of our school and are always very happy to welcome visitors who are considering joining our wonderful, rapidly-growing community.

Our Campus

> *"To all staff at BGLC, whatever role you play, thank you for the dedication and hard work you put in to giving our children the best opportunities they have to succeed, enjoy school life, have lots of wider opportunities to experience and be there to listen to them and us as parents."*
>
> Parent quote

We are a caring campus with a disciplined, family atmosphere.

All students are known and treated as individuals. We have high standards, and we place particular emphasis on the highest standards of teaching and learning leading to excellent progress. We expect high standards of school uniform, good behaviour, attendance and punctuality.

We want all students to flourish in a school with a strong culture built on kindness, mutual respect and high aspiration. To achieve this, we constantly reference our campus core values in all that we do, these being:

Community	Aspiration
Resilience	Excellence

We focus on explicit routines, behaviours and language to ensure our students can excel in a safe, calm and orderly environment.

Higher ability students thrive at the Brookvale Groby Learning Campus, with a good proportion of students gaining the top GCSE and A Level grades. We have higher than the national average rates of students staying on at Post 16 and going on to university, including Cambridge.

We believe that school is more than lessons, and we have a wide range of extra-curricular activities on offer. We encourage all students to get involved, and develop their skills outside the classroom.

This prospectus is designed to give you a flavour of life at Brookvale Groby, but the best way to get to know us is to visit and see for yourself.

> *"The school is aspirational and strives to push the students to get the most out of themselves."*

> *"The structure of learning and the encouragement given to the students allows them to participate in all areas of school life."*

Outstanding Sporting Success

BGLC has a long-standing commitment to extra-curricular sport and have experienced significant success in both County and National competitions since Brookvale High School and Groby Community College merged. We were awarded the Team Leicestershire Champion School award in 2019 due to the number of County titles we won that year.

Here are some of our top acheivements:

2022-23 Girls U16 Leicestershire County Badminton Champions

2022-23 Girls U16 Hinckley and Bosworth Futsal Champions

2022-23 KS4 Hinckley and Bosworth Swimming Champions

2022-23 U12 Hinckley and Bosworth Cricket Champions

2022-23 Boys U12 Hinckley and Bosworth Development Football Champions

2023-24 Girls U14 Hinckley and Bosworth Futsal Champions, finishing 3rd overall in the County Tournament

2023-24 KS3 Hinckley and Bosworth Swimming Champions, finishing 4th overall in the County Tournament

2023-24 Girls U14 Hinckley and Bosworth Badminton Champions

2023-24 Girls U16 Hinckley and Bosworth Badminton Champions, finishing 2nd overall in the County Tournament

2023-24 Boys U12 Hinckley and Bosworth Development Football Champions

2023-24 Boys U13 Hinckley and Bosworth Football Champions, losing in the County semi-finals

Outstanding Achievement

We are extremely proud of our excellent results.

At Key Stage 3, GCSE and A Level, students **make excellent attainment and progress** in their subjects. Student outcomes are consistently **above the national average.**

We are very pleased with the results our students achieve and the opportunities this presents to them at universit for apprenticeships and for employment.

For the latest detailed information with regard to academic achievement please see **www.brookvalegroby-tmet.uk**

“You are kept well informed through emails and information on the website.”

Parent quote

Outstanding Teaching & Learning

Our Curriculum

We regard our teaching staff as our greatest resource and we are proud of the quality of teaching and learning across the campus. We are always striving for excellence, promoting and sharing outstanding practice throughout the campus.

All National Curriculum subjects are taught at Key Stage 3, and we also teach Life Skills, Drama and a foreign language. Subjects are taught by teams of Specialist Teachers and Teaching Assistants / Learning Support Assistants.

Our curriculum is designed to enable our students to become:

- Successful learners, who enjoy learning, make progress and achieve.
- Confident individuals who are able to live safe, healthy and fulfilling lives.
- Responsible citizens who make a positive contribution to society.

At GCSE we value the importance of the academic curriculum and therefore students are expected to remain studying a broad and balanced curriculum until the end of Year 11. This strong core curriculum in English, Maths, the Sciences, Life Skills and PE is supplemented by the option to study a range of academic subjects including 3 Languages, Humanities subjects, the Creative and Performing Arts, Business, Media, Computing and ICT. We also have a core selection of vocational courses for those interested.

All courses have clear progression routes into our Post 16, with a wide variety of A Level and vocational courses on offer to study at 16 - 19.

> *"Teachers are subject experts. Well-considered training and coaching helps them to develop their teaching expertise. They use their extensive subject knowledge to explain concepts clearly. They plan interesting activities that help pupils gain knowledge and remember what they have learned."*
>
> **Ofsted**

> *"I am not alone when I say that I appreciate all the hard work, support that BGLC staff provide. It really is appreciated."*
>
> *"My son has found so much positivity, expertise and support from his teachers."*
>
> *"I just want to say, my son only has good things to say about his teachers, and that he is happy at school."*
>
> **Parent quotes**

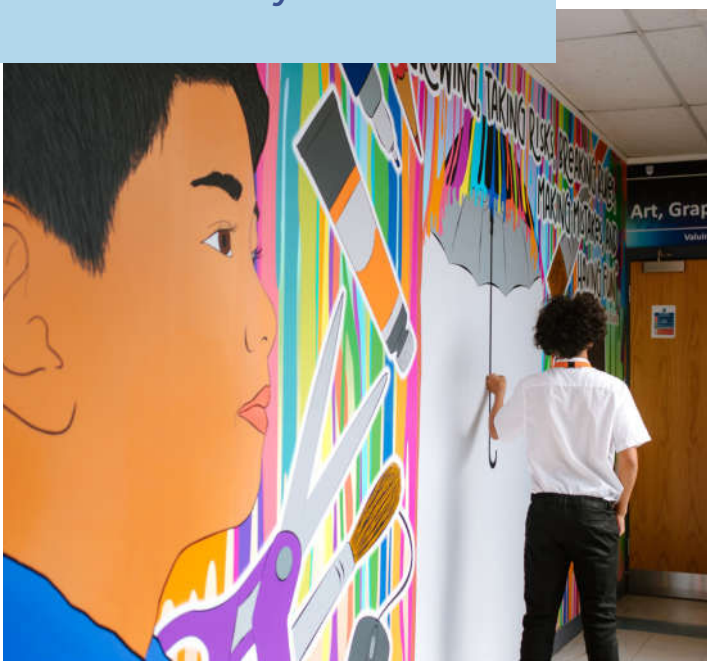

Enrichment

Enriching the curriculum through extra-curricular activities is what makes the Brookvale Groby Learning Campus experience so special.

- Sports teams and Sports Leaders
- Music and drama productions at all key stages
- Youth Theatre
- Trips and residentials
- Student leadership groups
- Employment skills and work experience
- Duke of Edinburgh Award
- Young Enterprise... and many more!

Personal Development & Wellbeing

Tutor groups

The cornerstone of the care we provide comes from our tutor groups. The form tutor is the first point of contact whatever the issue. Our tutor groups are organised in year groups. We hope that a tutor will stay with their group from Year 7 to 11. Each year group has a dedicated Head of Year who is not burdened by the pressures of teaching and learning but is working full time to provide outstanding pastoral care for our students.

Each year group is able to specialise on the key things that are affecting them at that point in their life. As things evolve across the 5 or 7 years on campus our focus adapts to meet the age specific needs. For example the Year 11 tutor groups focus on revision and career planning at the pivotal examination phase of a student's school career.

Anti-Bullying Policy

We take a firm stand against bullying of any kind. We encourage our students to let us know if there is something troubling them, and we take their concerns very seriously.

LORIC / PiXL Edge

During tutor time in Years 7-11 students engage in PiXL Edge which develops those personal attributes essential for employability and life. It focuses on five key LORIC attributes: Leadership, Organisation, Resilience, Initiative, Communication.

Students will qualify at three levels: Apprentice, Graduate and Master. At each level there are a variety of approved activities that students can undertake for each of the key attributes, and the number of activities that need to be completed varies depending on the level. The activities are rated as Apprentice, Graduate or Master according to their duration, the size of the team involved and the number of people exposed to the activity. Students also have the opportunity to be involved in the PiXL Green Edge award as an enrichment activity.

"Students feel safe at BGLC."

"Students are rewarded for hard work."

We are a safe and caring campus

Why Choose Brookvale Groby Learning Campus?

Equality

Across our campus we ensure we meet our legal duty to abide by the 2010 Equality Act and ensure that the 9 Protected Characteristics are known and understood. We do not tolerate discrimination, harassment or victimisation of any sort on our campus. The Brookvale Groby Campus says no to racism or any other kind of discrimination. We value everyone and we take action to promote equality. We have a mixed community where all can experience success and enjoy school.

Relationships, Sex and Health Education

In line with statutory requirements RSHE is taught within Science and Life Skills, and is set within a moral framework. Details of our programme are sent home, and parents / carers have the right to withdraw their child from certain aspects.

Special Educational Needs and Disability

We want ALL our students to achieve their best. Our Special Educational Needs Department coordinates the support provided for students with SEN and / or disabilities.

Religious Education

Our Religious Education follows the Leicestershire Agreed Syllabus. Major world religions and belief systems are considered, and students are supported in reflecting on their own beliefs and values, and respecting the views of other people.

Child Protection and Safeguarding

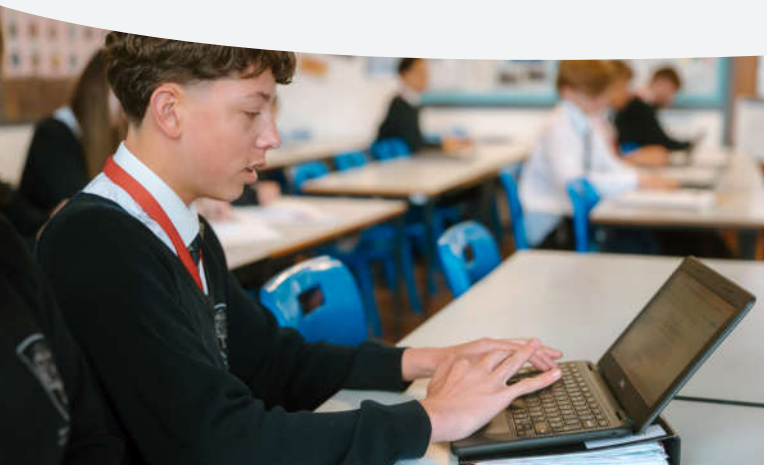

We take seriously our responsibility to look after the students in our care. All staff undergo regular child protection training, and our recruitment procedures follow the most up to date Safeguarding guidance. Details of how to report Safeguarding concerns can be found on the front page of our website.

“Pupils are happy at Brookvale Groby Learning Campus. The school’s motto encourages them to ‘work hard, be kind’. The school is calm and orderly.”

“The school is aspirational for all pupils, including those who are disadvantaged or those with special educational needs and/or disabilities (SEND). Pupils achieve well.”

“Pupils feel safe at the school. The school teaches them how to keep themselves safe and maintain positive relationships. Pupils told inspectors that they trust staff to help them deal with any issues that arise. The school provides excellent support for pupils when they are struggling with their mental health.”

Ofsted

Partnership with Parents

We believe that young people learn best when there is a strong partnership between school and home.

We work hard to develop close communication with parents, and parents tell us they appreciate this good relationship. Some of the ways in which we try to maintain this close communication are as follows:

- Regular parent evenings
- Regular progress reports throughout the year
- Informal contact face to face or via phone, email, student organiser or text
- Newsletters / Videos
- Up to date website, Facebook and Twitter
- Parent feedback through regular questionnaires

"I particularly appreciate seeing the Principal on the gate in the mornings. Another example of high standards by all."

"Very pleased with our Year 7 experience! Keep up the amazing work."

"Thank you to the reception staff for the day-to-day services they provide."

"Looking forward to Year 8. Thank you!"

"We are thankful for the support, care and overall fabulous teaching from all members of staff. This includes all admin staff too, who have always promptly responded to any query."

Parent quotes

Partnership with Learners

The Brookvale Groby Learning Campus exists for the benefit of our learners, and we want them to feel it is "their" school. Some of the ways in which we try to achieve this are as follows:

- **We focus on student involvement and leadership. Student Ambassadors work with staff to organise competitions and events, and act as role models for the school.**
- Student Leaders at Post 16 are central to the life of the campus and take a lead on some of our charity work.
- Student panels are always involved when we appoint new staff.
- Students are always consulted when we review teaching quality.
- PiXL National network.

We hope all the above will help our students develop a taste for active citizenship based on the principle of rights and responsibilities.

"My child's confidence has grown since starting at BGLC."

"I appreciate the emails from teachers regarding my child's progress."

Parent quotes

Partnership with Local Schools

We work very closely with all the local primary schools, as part of the ENRICH group, to ensure the smooth transition from primary to secondary.

"WOW I can't wait come here now!"

"We decoded jokes in Maths!"

"The gym is so big!"

"I can't wait to make new friends!"

Year 6 Primary students' quotes after attending Year 6 transition event.

Facilities for Learning

We are fortunate to have well designed buildings set within a green, spacious campus.

We are constantly working to improve the facilities we have to offer in order to provide the very best learning environment.

At BGLC we have amazing facilities and most importantly, very supportive staff!

A safe environment with approachable staff.

There is a chance to experience lots of different disciplines in art/technology and there is a variety of extra-curricular activities.

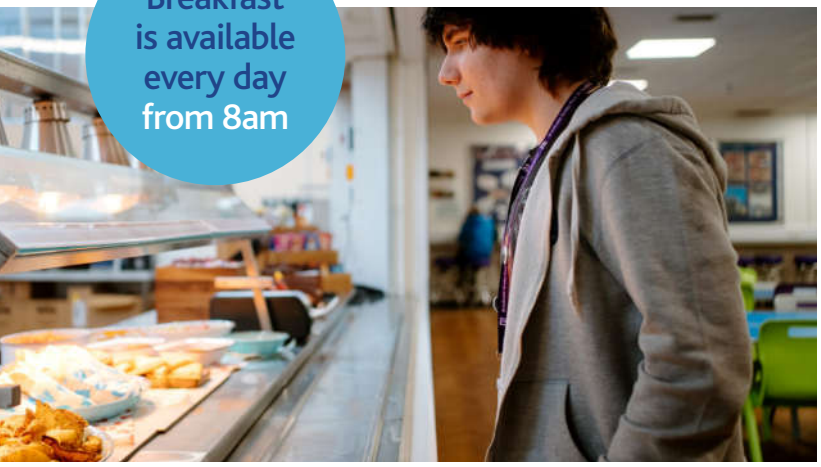

The campus library is well equipped with welcoming staff.

We offer residential trips including; Normandy, Berlin, Iceland, and skiing in the USA!

Our excellent facilities include:

- Extensive IT and multimedia facilities across the campus
- Extensive playing fields and sports facilities, including the synthetic pitch
- Sports hall, gymnasium and tennis courts
- 10 science laboratories across the campus
- Art and design workshops including specialist graphics and photography suites
- WiFi access throughout the campus providing independent study facilities
- Music suite with instruments, computers, keyboards and practice rooms
- Fully equipped drama studio and working theatre which provides community access
- Specialist teaching areas for all subjects
- Large school hall and canteen with breakfast available from 8am daily

Breakfast is available every day from 8am

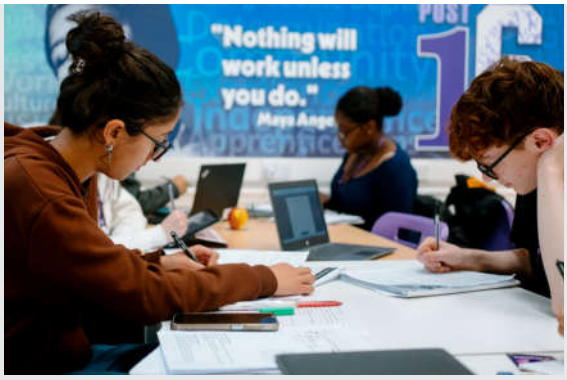

Admissions

Transfer from primary into Year 7

Joining the Brookvale Groby Learning Campus for Year 7 is part of the normal transition arrangements from primary school into secondary. Parents and Carers are advised to put Brookvale Groby Learning Campus as first choice in order to help secure a place on the campus.

Application for Post 16

During Year 11 students are supported with career planning and where they will study for Post 16. A large proportion of Year 11 students stay for A Level and AAQ courses to study at the campus. Students manage their own application for Post 16 study with guided support from the staff at the Brookvale Groby Learning Campus.

“My daughter was on the Iceland trip and had the most wonderful time and experience. All the staff were amazing and made it really enjoyable.”

Year 8 Parent quote

“Thank you, for your amazing support, help, understanding and compassion towards my child as an individual, and her needs, you have made an enormous difference.”

Year 11 Parent quote

“BGLC is a wonderful community to be part of and we are extremely grateful for all the opportunities our son has had since starting in Year 7. He is looking forward to staying on for Post 16 next year.”

Year 11 Parent quote

Post 16 Education

The Brookvale Groby Learning Campus has a thriving and highly successful Post 16 centre. Students achieve excellent outcomes as a result of a broad curriculum and outstanding subject specialist teaching.

The Post 16 Curriculum

- Art
- 3D Design
- Graphic Design
- Photography
- Business
- Computer Science
- Information Technology
- English Language/Literature
- Media
- Geography
- History
- French/German/Spanish
- Psychology
- Sociology
- Crimology
- Core Maths
- Mathematics
- Further Mathematics
- Music
- Performing Arts
- Physical Education
- Heath & Social Care
- Biology
- Chemistry
- Physics

*All courses are subject to change.

Enrichment

The enrichment awards programme allows students to gain valuable transferable skills and become well-rounded individuals. We feel students gain valuable experience from getting involved in the campus and wider community life. Post 16 students work towards completing a minimum of Bronze, Blue & Red awards, with Silver, Gold and Platinum available for those students wishing to demonstrate skills at a high standard.

“There is an ethos of hard work and high expectations amongst students.”

“Students benefit from a wide range of opportunities to develop their social and employability skills.”

“Students make good progress in the sixth form, particularly in the vocational subjects.”

Ofsted

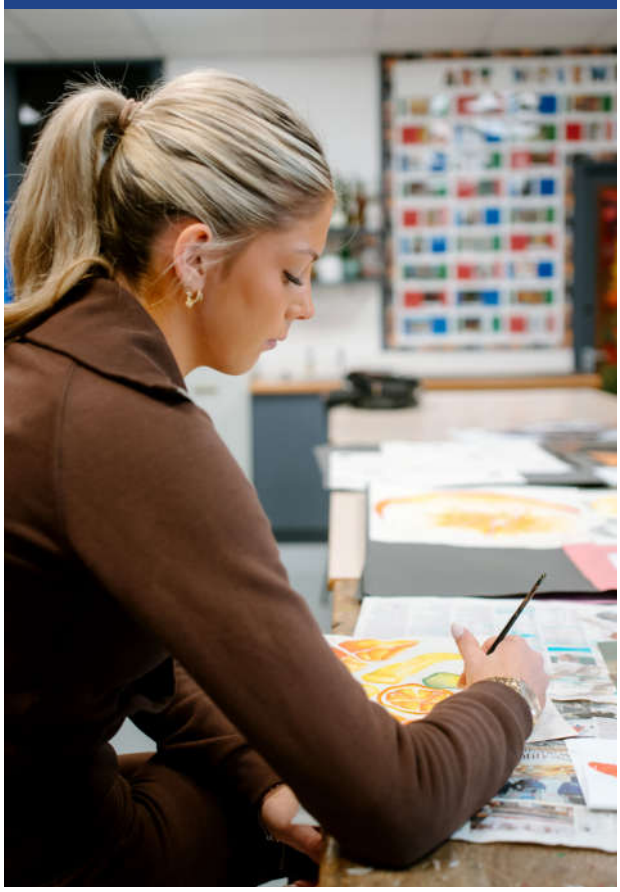

“Teacher’s support was truly amazing.”

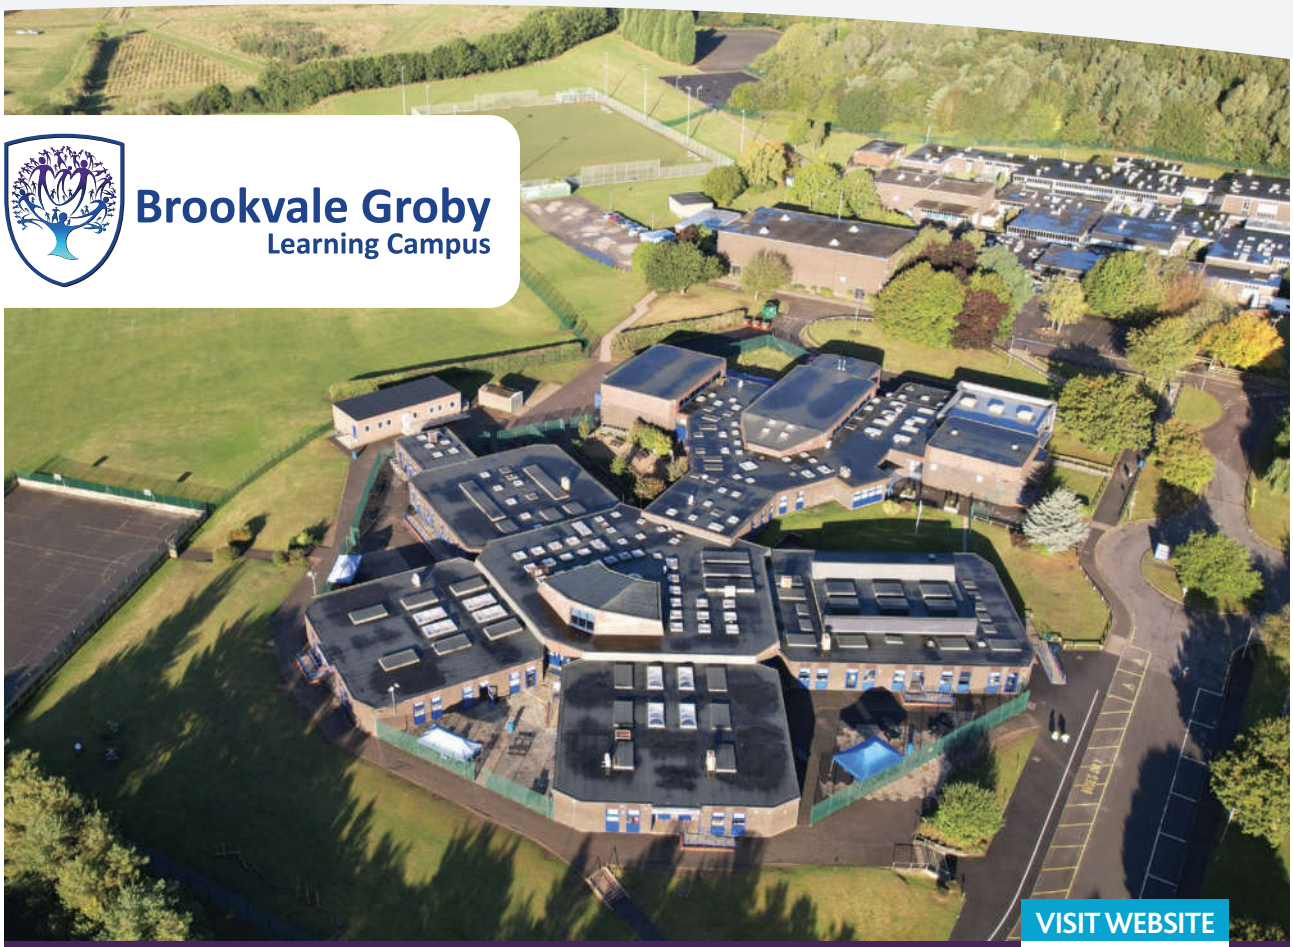

“They are lucky to have teachers that are truly supportive of them.”

“Outstanding tutors who really understands the development of well-being at this vulnerable age.”

“I was really impressed by how informative the Post 16 Open Evening was… a real sense of the overall experience of Post 16 and great subject advice.”
